Tourist Information
For tourist information please try [http://www.visitdublin.com/](http://www.visitdublin.com/)

**Getting from the airport**

The airport is located c.13Km to the north of Dublin. Group taxies are a good transport solution from the airport; taxies line up outside the arrival doors & should cost c. €30. Journey time is 20-30 mins, depending on traffic.

Aircoach is the best public transport option for direct link between the airport and Ballsbridge. The blue coaches depart from outside the arrivals area of both terminals, €8.50 one way, €14 return, tickets from outside the coach as you board or from the driver. Check that you are boarding the Ballsbridge service. [http://www.aircoach.ie/](http://www.aircoach.ie/)

**Local transport**

The Clayton hotel is located near the Sandymount station of the local DART train service for easy access to the city centre (see the map [http://www.claytonhotelballsbridge.com/maps-and-directions/](http://www.claytonhotelballsbridge.com/maps-and-directions/)), journey time 6 minutes, fare €2.15, tickets at the station. The hotel is also on a main bus route to the city centre with frequent buses; tickets from the driver, €2.55, but note that exact fare is required. Service is less frequent than the DART.

**Weather in Dublin**

Dublin in November is typically cold and wet; average daytime temperature is 8°, with 70% chance of rain – so bring a warm raincoat.
